

UNIVERSITY OF MILAN

Department of Economics, Management and Quantitative Methods

POST DOCTORAL POSITION

Applications are invited for a post-doctoral position in Economics within the broad research theme “*Products and workers flows within and between firms and countries*”. The position will be based at the *Department of Economics, Management and Quantitative Methods* of the University of Milan where the project is coordinated by Giorgio Barba Navaretti, Giovanni Facchini, Tommaso Frattini and Giovanni Pica.

Candidates must hold a PhD in Economics earned within the date of stipulation of the individual contract and anyway within 28 February 2017, and will be requested to carry out research at top international standard.

Excellent working knowledge of English, research experience in Applied Economics, International Economics, Labour Economics and the Economics of Migration are preferred requirements.

Active participation in the research team and interactions with the other partners of the project are expected. The fellowship does not involve any teaching.

Length and salary

- Two-year position, possibly renewable for two more years.
- For Italian residents the gross salary is 21,000 Euros per year, and the fellowship is tax-free. Only social security contributions are due. The net salary is therefore about 18,780 Euros per year.
- For those residing abroad who hold a non-Italian Ph.D. the gross salary is 28,200 Euros per year, and the fellowship is tax-free. Only social security contributions are due. The net salary is therefore about 25,212 Euros per year.

The position will be awarded on the basis of qualifications, research proposal and interviews. Applications should be submitted online at <https://air.unimi.it/rm/public/postDocFellowship.htm> before **November 15, 2016 at noon**.
